Kovalam

Kovalam is a region in the city of Trivandrum, around 13 km southwest of the city center, whose beaches are a tourist destination. Kovalam first received attention when the Regent Maharani Sethu Lakshmi Bayi of Travancore constructed her beach resort, Halcyon Castle, here towards the end of the 1920s. Thereafter the place was brought to the public eye by her nephew the Maharaja of Travancore. The European guests of the then Travancore kingdom discovered the potentiality of Kovalam beach as a tourist destination in the 1930s.
